RHODES REASON - SHELLEY SWEENEY - DON GLUT

G-FEST 14

July 6 - 8, 2007, Crowne Plaza Chicago Ohare

WELCOME!

As I put this convention program together, a couple of thoughts struck me. One was how squeezed for space it's getting. I'll probably have to consider going to a larger format next year. This is in part because the number of events and activities has increased, and also because the number of people involved in staging G-FEST has increased.

Of course the first fact is tied in with the second. The more people that get involved, the more we're able to do. More good ideas and suggestions are offered, and the result is that everyone benefits from a greater variety of contests, sessions, and events. I hope this information encourages you to get involved in some aspect of the show if you haven't already done so. G-FEST is not only a convention to attend and enjoy, but it's very much a group effort, and a volunteer effort. A lot of the enjoyment comes not from passively attending, but being involved and building relationships.

The other thought that struck me was how dispersed are the people who make G-FEST happen. We may converge on Chicago, but we come from an incredible array of locations: British Columbia, New York, California, Ontario, Ohio, Manitoba, Pennsylvania, Japan, North Dakota, Nevada, New Mexico, and the list goes on. This is somewhat unusual for a convention committee. Oftentimes, the group that stages a convention is mostly located in the same city. They have meetings and recruit volunteers in the local area.

G-FEST is different. We communicate by phone and Internet, helping each other as the need arises, but trusting one another to do the jobs we have each taken on. The coming together of the group here in the Crowne Plaza represents the falling into place of all the pieces that make G-FEST what it is. The atmosphere is one of reunion, celebration, and, after it's all over, accomplishment.

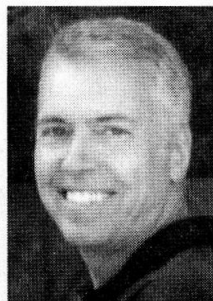

To my mind, that's probably the greatest strength of G-FEST. We all look forward to meeting the guests, shopping in the dealers room, entering the contests, attending the sessions and seeing the movies, but one of the greatest joys is getting back together with the PEOPLE who, year by year, have become our friends.

It's an intriguing thought, that the hundreds of pathways of all our lives led us here, at this time, to this happy event. To become friends with people we otherwise would never have met. All because of our interest in and love for Godzilla. How cool is that?

Thank you for coming and supporting G-FEST. I hope you have a wonderful weekend and leave with the warm glow of many happy memories.

Sincerely,

Editor & publisher, G-FAN

SPECIAL GUESTS

RHODES REASON

Rhodes Reason has had a long career in movies and television. He's best known to Godzilla fans for turning in an excellent performance as Commander Carl Nelson in *King Kong Escapes*, under the direction of Ishiro Honda. His more than 230 roles also include a guest starring spot in the *Star Trek* episode "Bread and Circuses," and alongside Boris Karloff in *Voodoo Island*. Both will be available on the G-FEST in-house TV channel this weekend. Mr. Reason's participation in a fan conventions is rare, and we are honored to welcome him to G-FEST 14. His main session is at noon on Saturday, and he will be available for autographs at 3:00 PM on Saturday in the registration area.

SHELLEY SWEENEY

Shelley Sweeney is a native of Alberta, Canada, but has lived and worked in Japan for many years, where she maintains a busy modeling and acting career. She first came to the attention of G-fans as Lieutenant

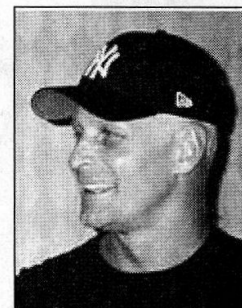

Catherine Berger in *Godzilla vs Mechagodzilla 2*. She was subsequently called back for several more roles in such G-films as *Godzilla vs Destroyah*, *Godzilla 2000*, and *Godzilla: Final Wars*. She also had a role in an episode of *Ultraman Tiga*, which will be shown on the G-FEST in-house TV channel this weekend. You can learn more about Shelley at her session on Saturday at 2:00 PM, or by visiting her website at www.shelley-sweeney.com. She will be signing autographs at 3:00 PM on Saturday in the registration area.

ROBERT SCOTT FIELD

"Scott" is well-known to G-FEST attendees, as he has graced the convention with his friendly and amazingly energetic presence since 1999. A G-fan when growing up in the United States, he realized every Godzilla-lover's dream when he landed a major role in *Godzilla vs King Ghidorah*, as Android M-11.

Scott currently makes his home in Japan where he is an actor, teacher, author, motivational speaker, spokesman, and TV personality. G-FEST has come to depend on his continued involvement.

DON GLUT

Don's enthusiasm for Godzilla, like most of us, goes back to the days of his youth. Growing up in Chicago, he became a prolific amateur filmmaker, which led to a successful and wide-ranging career as a writer, director, producer, actor and crew member on an amazing variety of movies and TV shows. He featured Godzilla prominently in his amateur films, and gave Godzilla his first serious and accurate coverage in the west in the book *Classic Monster Movies*. Don was a special guest at G-FEST '97, and this year he receives the Mangled Skyscraper Award for his

contributions to sci-fi and fantasy fandom.

HISTORY OF G-FEST

In 1993, western fans of Godzilla and other Japanese monsters discovered a rallying point for their hobby in a new fanzine called G-FAN. Created by Canadian high school teacher and long-time Godzilla fanatic J.D. Lees, the bimonthly 'zine gained popularity, and finally "went national" with issue #9.

By the summer of 1994, many of the people who had come on board by submitting articles and art to G-FAN decided it was time to meet face to face. A "Friends of G-FAN" meeting was organized for the Labor Day weekend at a Howard Johnson's outside Chicago, and attended by about twenty hardy souls. Though they had never met one another before, the sharing of experiences, Godzilla memories, and collectibles created an instant rapport. Such a good time was had that a full-fledged convention was suggested for the summer of 1995. The meeting took place in the Radisson Hotel Arlington Heights, and was repeated in 1996, and at the Wyndham Hotel in '97, and '98. In 1999 and 2000, G-FEST moved to California, then returned to the Radisson in 2001. Outgrowing the hotel, the convention moved "down the street" in 2004 to the Crowne Plaza.

Over the years, many features have been added to G-FEST that have proved popular with attendees year after year. A highlight of G-FEST is always the Modeling Thread, organized and staged by Stan G. Hyde. Modeling instruction has become a stand-alone, two-day event, and the Model Contest is always a focal point of interest, thanks to Stan's personal commitment to seeing both succeed. Other contests have also been mainstays over the years. The Costume Parade has always been popular, and has gained ground in recent years. This year, a costuming thread is being developed by Paul Gavins, with the promise of matching the modeling thread in stature. The amateur video contest, art show, gaming, video gaming, and Artist Alley all add to the variety of events at G-FEST.

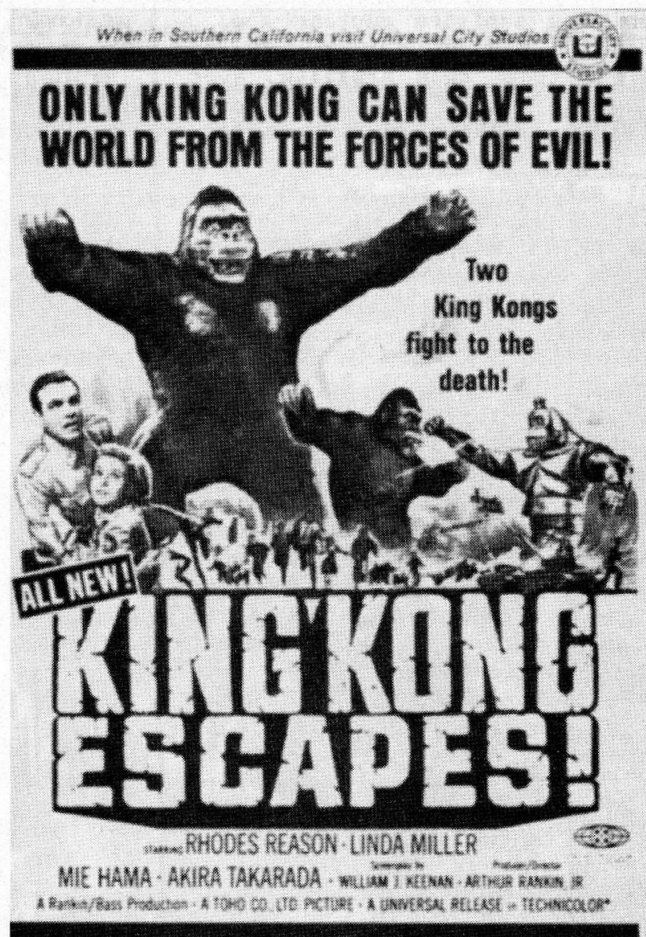

A thread for kids has been developed by Barb Weiler and Ron Lipecky. They call their room Minya's Place, and carry out all kinds of crafts and activities aimed at younger fans. The room is abuzz with activity and has become a popular attraction.

In recognition of special contributions individuals make to the production and/or promotion of the Japanese monster genre, 1999 saw the introduction of The Mangled Skyscraper Award. Every award is crafted by Gene Rizzarda (head of the model-making crew on *Godzilla*) based on an idea by Stan Hyde and a design by J.D. Lees. Each year, the Mangled Skyscraper is presented at a special ceremony. Past recipients are Forrest J Ackerman ('99), Koichi Kawakita ('00), and Greg Shoemaker ('01), Stan Hyde ('02), Gamera creator and director Noriaki Yuasa ('03), *Godzilla* spfx chief Teruyoshi Nakano ('04), *Godzilla vs Hedorah* director Yoshimitsu Banno ('05), and our own Robert Scott Field in 2006.

One of the hallmarks of G-FEST has always been its friendly and relaxed atmosphere. It is truly a convention staged by fans, for fans, heavily dependent on volunteers. Though Godzilla's admirers are many, we are scattered widely, and often find it difficult to connect with others who share our passion. G-FEST offers the opportunity to enter a world of kaiju toys, games, activities, contests, and camaraderie. Make the most of the experience, you're among friends!

If you have ideas or suggestions for G-FEST, there is a session on Sunday to discuss exactly that. If you wish to become more involved in the planning or staging of the convention, please feel free to offer your talents.

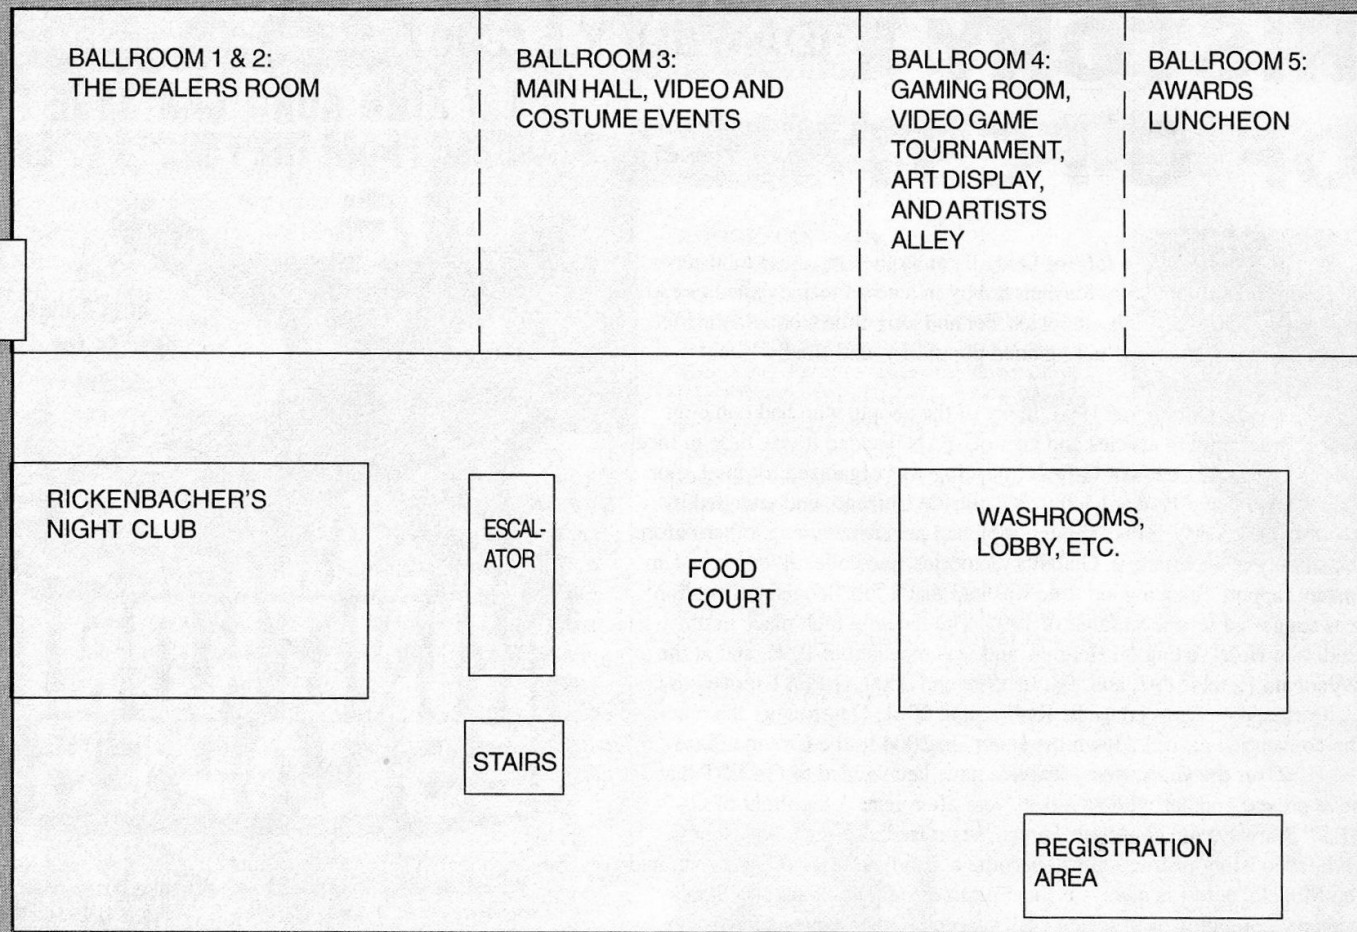

For many people, G-FEST has become a warm and welcoming experience where age differences are irrelevant. When it comes to Godzilla, we're all kids at heart.

MOVIES

G-FEST has a history of bringing to western G-fans films they otherwise wouldn't have a chance to see on the big screen. In 1999, *Gamera 3* premiered at G-FEST in the newly renovated Egyptian Theatre in Los Angeles. In 2000, G-FEST brought a new, subtitled print of *Godzilla* ('54) to the big screen, as well as *Godzilla vs Destoroyah*, *Son of Godzilla*, and *Rebirth of Mothra 3*.

In 2001, fans in Chicago thrilled to the big screen premiere of *Godzilla x Megaguirus*. *Godzilla vs Destroyah* and *Gamera 2: Attack of Legion* were also screened for the first time in the Chicago area. '03 featured *Tokyo S.O.S.*, *Monster Zero*, and *Terror of Mechagodzilla*, in '05 we saw *Godzilla vs the Smog Monster* and *Godzilla Final Wars*, and last year *G vs KG*.

Again this year, the movies will be shown at the Pickwick Theater, 5 South Prospect, Park Ridge, IL, 60068. *King Kong Escapes* is at 9:45 PM on Friday, and *King Kong vs Godzilla* will be screened at 10:30 PM on Saturday night.

Tickets (\$6) will be sold at the theater box office. Reaching the theater is the responsibility of each ticket holder. G-FEST attendees can help one another by organizing in one of the following manners:

- Those who are driving to the theater should pull up in front of the hotel for a few minutes before they leave, and offer a ride to those who don't have transportation.

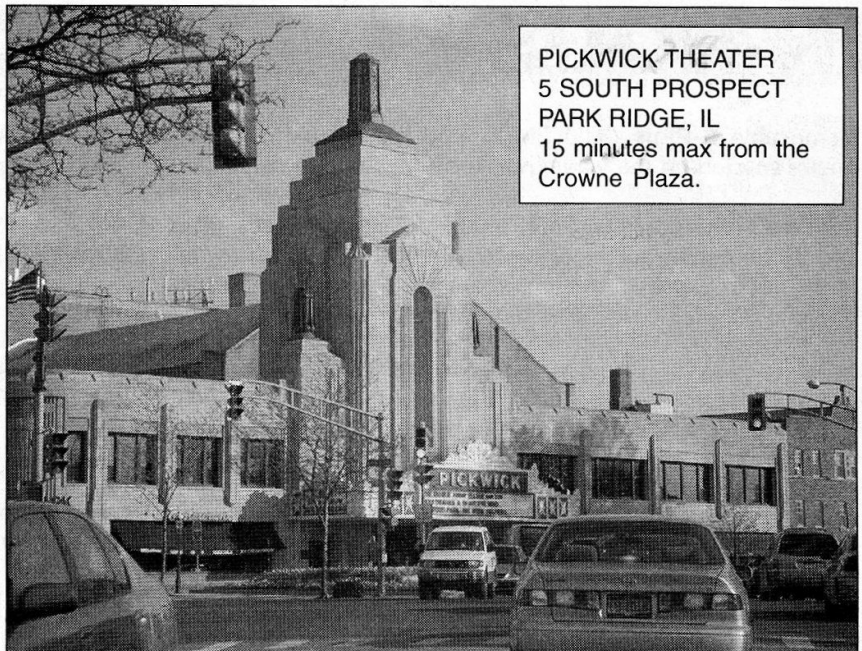

- Use the G-FEST message board to secure a ride to the theaters in advance of the show.

- Buses will be organized so check the lobby registration area and lobby for departure times and prices.

The same methods have been used for the past five years, and there wasn't a single reported problem of a person not being able to obtain transportation.

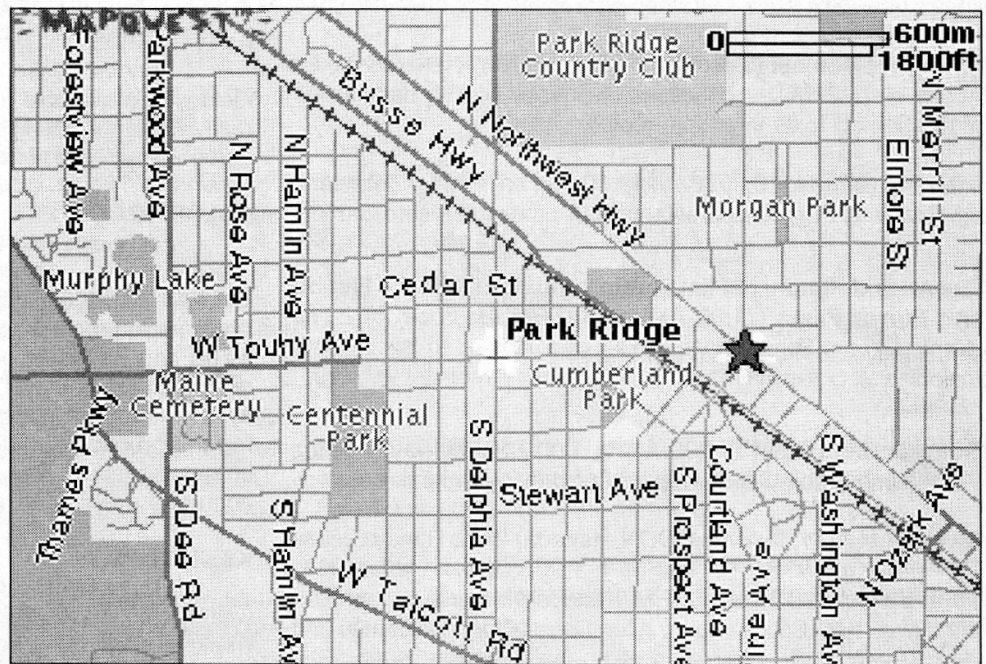

The following are directions for travelling to the Pickwick Theater from the Crowne Plaza Chicago Ohare:

Leave the hotel and go north on North River Road. It becomes Des Plaines River Road, then South River Road. (Just stay on River Rd.) You will be driving along a forest preserve, and after passing Axehead Lake, you come to Touhy. Turn right. After passing through the forest preserve and then about 20 city blocks, you will drive under railroad tracks. Be on the lookout because the Pickwick is coming up very soon. It is on the right side of the street, just off the corner at a 6-way intersection/stoplight (Northwest Highway and Prospect Ave.

PICKWICK THEATER
5 SOUTH PROSPECT
PARK RIDGE, IL
15 minutes max from the

are the other cross streets). You need to turn right at the intersection and the theater will be right there, then it is every man for himself for parking. **DO NOT PARK IN THE STRIP MALL PARKING LOT**, or you will be towed. There is a metered parking lot almost right across the street which is free after hours (for the Friday and Saturday night showings).

Driving time from the hotel should be 15 minutes max. Tickets for the movies will be available at the theater box office.

CONTESTS

It's not too late to enter some contests at G-FEST XIV. Being in a contest definitely adds to the convention experience! Here's how they all work, and what you can do.

ART CONTEST

If you have art for display, take it to the Multi-Purpose Kaiju Room (Ballroom 4), where it will be put on display. Make sure you indicate whether it belongs in the adult category, or the 14 and under category. Our art experts will judge the work on Saturday night, and ribbons will have magically appeared on the winners by Sunday morning. You may retrieve up your art on Sunday afternoon, or if you want to leave it, it may end up in a future issue of G-FAN.

COSTUME PARADE

Please feel free to wear your costume around the convention all weekend. Room Love B is available all weekend for storing and working on costumes. The actual costume parade will run on Saturday night (at about 8:00 PM) in the Main Hall. Paul Gavins will meet all costume contest participants in room Love B (downstairs) at NOON on Saturday for sign in, and an explanation of how the contest will be staged. **Please don't miss this meeting.** Prizes kindly donated by Far East Monsters and Tempting Toys.

KAIJU CALL CONTEST

This contest is popular with kids, so has been moved to 12:30 Saturday in Minya's place. Adults please feel free to drop in and mimic your favorite monsters.

KAIJU MUSIC VIDEO CONTEST

A relatively new contest, but catching on at G-FEST. Music video "auteurs" have submitted kaiju compilations set to their favorite tunes. Videos have been pre-judged by a panel of experts. Screening will take place in the Main Hall about 8:30 PM on Saturday, after the costume parade.

MODEL CONTEST

Models will be displayed in the Model Display Room (Kennedy). Starting Saturday morning, take your model there, sign it in, and get a ticket to reclaim it. You'll need to produce that ticket in order to remove your model from the room.

Judging will be on Saturday night, with ribbons appearing on Sunday morning, and prize winners announced at the Awards Lunch. You may remove your model Sunday afternoon. Thanks to John Weber for organizing and running the contest.

TRIVIA CONTEST

Every pre-registrant will have a trivia contest in their registration package. Walk-in attendees will also be given a trivia test sheet while supplies last. Deposit your completed test into the Trivia Contest box at the registration desk by 5:00 PM on Saturday. The winners will be posted, and also announced at the Awards Lunch. Prizes are a year's subscription to G-FAN. The trivia test is created by George Taylor, and the prizes are donated by the supremely generous folks at Daikaiju Enterprises Ltd.

VIDEO CONTEST

Videos will be screened on Saturday night at 7:30 PM in the Main Hall, before the costume parade. The videos will have been pre-judged by a panel of "experts," and will be presented in a pre-determined order. Award statuettes for the video contest will be presented at the Awards Luncheon.

MODEL INFORMATION

MODEL DISPLAY ROOM: registration Saturday 10:00 - 3:00

The model display room will be open from 10:00 until 3:00 Saturday for entries in the model contest. (This means you have Friday night to put the finishing touches on that kit you're working on . . . and time to fix up any shipping damage.) Kits are judged Saturday night, so results are available on Sunday morning. Prizes are awarded at the Sunday luncheon.

MODEL MAKING THREAD: Saturday and Sunday

Instruction in model making techniques is offered in the Kai Tak Room on Saturday and Sunday, all day, beginning at 10:00 AM. There will be a variety of sessions dealing with different aspects of model building, painting, and presenting. A schedule of specific sessions and the times they will take place will be posted by the Kai Tak Room.

THE BIGGEST LITTLE GIANT MONSTER SHOW ON EARTH

For those who are interested in entering the G-FEST Model Show, here's some information on what you should consider entering AND what the judges are looking at.

JUDGING CRITERIA: The Judges are not interested in their own favorite monsters, how much money you spent on your kits, or even - to a degree - if your paint job is "accurate" or not. So what are they looking at?

1. How well did you build it? Are there visible seam lines that have not been hidden? Are there production imperfections - flash or resin bubbles, for example - that have been left on the kit without being fixed? Are there glue tracks or other areas where you messed up when building and did not repair? **HOW WELL-BUILT IS YOUR KIT?** That's the first thing the Judges look at.

Special circumstances:

1a. If you sculpted your figure, how anatomically correct is it? (Granted, this is a giant monster we're talking about, but nevertheless, certain rules of structure apply.) Does the figure's pose, the suggested idea of it's muscles and skeleton, seem realistic? Is it dynamic? Sometimes a dynamic but stylized pose wins out over a more realistic interpretation, but the "wow" factor is a part of the judging. **HOW WELL CONCEIVED AND SCULPTED IS YOUR SCRATCH-BUILT FIGURE?**

1b. If you remodeled a toy or existing model kit, which is allowed by the rules, remember that you're trying to do something that lies between kit-building and sculpting... so all the rules apply. If you altered a pose so that the stance of the kit now seems impossible (or at least very painful) for the kaiju, you are probably running afoul of some sculpting rules. If you left visible alteration marks, wads of glue or ragged vinyl, you are probably running afoul of the model-building rules. We have seen some **INCREDIBLE TOY ALTERATIONS** at G-FEST (and some of you probably thought they were high-priced model kits) but be warned. Toy alteration takes some moxie. **HOW DID YOU ALTER YOUR TOY AND DID YOU IMPROVE IT WHEN YOU ALTERED IT?**

2. Painting is probably the thing that makes a kit stand out the most at a show. Although there isn't space to go over the techniques of acrylic, enamel, and oil painting... or dry-brushing and wash techniques... not to mention the special uses of inks, iridescent paint, and other FX paints... **WELL, WE DO HOLD ROUND THE CONVENTION DEMO SESSIONS AT G-FEST!**

That said, you want to make your model look as good as possible. When we judge, we are not judging the reasonableness of your paint job (if you want to create a PINK GODZILLA, we will

judge a PINK GODZILLA). However, we will look at things like the accuracy of your lines... peering into your models eyes and at the washes on their toenails, ruminating on the accuracy of your dry-brush technique (does your model look like it's highlighted, or like it leaned against a wet fence?), and anything else that will separate the - well - the "Minyas" from the "Godzillas."

At G-FEST, if you've done an excellent job of the works cited above, you will win a 1st Ribbon... very good nets you a 2nd Ribbon... and a better than average job gets you a 3rd place. Everyone gets a participant ribbon because... **GETTING OUT THERE AND BEING CREATIVE STILL DESERVES A COMPLIMENT.** Your model, sculpt, or altered-toy is still a unique creation... and the world needs more unique creations.

THINGS THAT ARE HARD TO JUDGE: Well, anything that can't be looked at very successfully by the above standards. For instance, an original LEGO sculpt may take a lot of building ingenuity, but can't be judged by the standard assembly criteria or by the painting criteria. At times, work in other media - whether it's metal, cloth, or rubber - may be judged with these standards - but think carefully before you place the work in the model show - it may be better placed in the ART SHOW.

THE PRIZES: A selection of...

BEST FIGURE (how it was built and painted) by an adult or a Junior Builder (under 17) builder will win a prize.

BEST DIORAMA (more than one figure on an ORIGINAL BASE that tells a story) by an adult or junior will win a prize.

BEST SCRATCH BUILT (original figure) possibly by both an adult and a junior (at the Judges' discretion) will win a prize.

JUDGES' PRIZE for BEST OF SHOW and PEOPLE'S CHOICE AWARD - Why 2 awards for best? Well, sometimes these awards go to the same model, but often they don't. Very often the PEOPLE'S CHOICE goes to the kit that looks the coolest when you enter the room, but the JUDGES' CHOICE goes to the kit that survives twenty minutes of close inspection and arguing about it's merits. Both of these points of view are valid - both valid reasons to give a prize.

At this point, there are at least eight prizes at G-FEST... and there may be others, depending on the show's sponsors and other things that may arise.

JUDGES PRIZES - A bronze cast kaiju might get a special award... or a very tiny diorama might be overwhelmed by a giant diorama, but both might warrant special notice. **IF WE CAN, WE'LL TRY TO GIVE PRIZES TO EVERYONE WHO DESERVES NOTICE FOR GOING THAT EXTRA DISTANCE.** Thanks for entering, and if you didn't, how about next year?

G-FANS HELPING G-FANS

This year at G-FEST David Nunes will be continuing our fundraising drive entitled G-fans For Special Kids. Many G-fans have donated items which will be sold during the convention by silent auction. The items will be on view at the G-fans For Special Kids table in the dealers room.

David will also be selling raffle tickets on Friday by the registration desk. Ten winners of the raffle will get an exclusive chance to shop in the dealers room for half an hour before everyone else is admitted.

Two thirds of the money raised will go to children with autism, and the remaining third will be turned over to a facility called The St. Amant Center, which cares for severely disabled children. Please make a small contribution this weekend.
